### **ENGLISH ELOCUTION COMPETITION FOR P1 & P2**

Dear Parent,

In an endeavour to inculcate appreciation of poetry in English among students, and teach them the nuances of recitation, we propose to conduct an English Elocution Competition for the students of Class P1 & P2.

The Preliminary Round for the Final Event will commence in the second week of July and by then we expect every student to select a piece of poetry of about 2 and a half minutes' duration, memorize it and learn to recite it with expression. It is compulsory for every child of the class to participate in the Preliminary Round. Enthusiastic participation for this round will be appreciated. Kindly make use of the Summer vacation to guide, and prepare your child for the initial round.

The students will be shortlisted by the English teachers on the basis of selection of their poem, diction, expression, presentation and voice modulation. The teachers will practise with the selected students and prepare them further to enable them to participate in the Final Round, which will be held in July on Friday 28, 2017.

Your co-operation is solicited.

Thanking you,

Branch Head
