**Spell Bee Contest (For P2 Students only)**

Dear Parent

In an endeavour that students become proficient in the English Language, develop public speaking skills & confidence, engage in healthy competition and are able to 'Spell Well' we have organised a 'Spell Bee Contest' for them on Wednesday, 30th August, 2017. The event will be conducted in the School Hall by our English Teachers. Children will be given a list of spellings, they ought to know at their level. Kindly ensure that they memorise them thoroughly so that they are well prepared to participate in the contest.

We are sure that our little ones will enjoy the experience and benefit from the platform being provided to them towards Vocabulary Enrichment and increasing their Word Power.
